DESCRIPTION/OPTIONS: In a class by itself! This Chevrolet won't be on the lot long! It delivers an exhilarating ride without compromising safety and comfort! Turbocharger technology provides forced air induction, enhancing performance while preserving fuel economy. With just over 40,000 miles on the odometer, this car refuses to compromise! Chevrolet infused the interior with top shelf amenities, such as: telescoping steering wheel, remote keyless entry, and power front seats. Chevrolet made sure to keep road-handling and sportiness at the top of it's priority list. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. We know that you have high expectations, and we enjoy the challenge of meeting and exceeding them! Stop by our dealership or give us a call for more information.
