DESCRIPTION/OPTIONS: What a fantastic deal! This vehicle won't be on the lot long! Very clean and very well priced! This 4 door, 5 passenger sedan still has less than 80,000 miles! Nissan prioritized practicality, efficiency, and style by including: variably intermittent wipers, air conditioning, and 1-touch window functionality. Under the hood you'll find a 4 cylinder engine with more than 170 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. Our team is professional, and we offer a no-pressure environment. We'd be happy to answer any questions that you may have. We are here to help you.
