**DESCRIPTION/OPTIONS:** Here is the opportunity you've been waiting for! This Volkswagen won't be on the lot long! It delivers style and power in a single package! The engine breathes better thanks to a turbocharger, improving both performance and economy. This 4 door, 5 passenger sedan has just over 90,000 miles. Volkswagen prioritized practicality, efficiency, and style by including: air conditioning, cruise control, and more. Under the hood you'll find a 4 cylinder engine with more than 150 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. We know that you have high expectations, and we enjoy the challenge of meeting and exceeding them! Stop by our dealership or give us a call for more information.
