DESCRIPTION/OPTIONS: You won't want to miss this excellent value! Providing great efficiency and utility! A turbocharger is also included as an economical means of increasing performance. This 4 door, 5 passenger sedan has just over 80,000 miles. Volkswagen paid particular attention to efficiency and practicality with the following features: automatic temperature control, tilt steering wheel, and the power moon roof opens up the cabin to the natural environment. Performance and efficiency are both prioritized thanks to the efficient 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain. Our sales reps are knowledgeable and professional. They'll work with you to find the right vehicle at a price you can afford. Stop in and take a test drive!
