DESCRIPTION/OPTIONS: This Volkswagen won't be on the lot long! This is a superb vehicle at an affordable price! The engine breathes better thanks to a turbocharger, improving both performance and economy. This 4 door, 5 passenger sedan still has less than 80,000 miles! Volkswagen paid particular attention to efficiency and practicality with the following features: variably intermittent wipers, remote keyless entry, and a blind spot monitoring system. It features a standard transmission, front-wheel drive, and an efficient 4 cylinder engine. We pride ourselves on providing excellent customer service. Please don't hesitate to give us a call.
