DESCRIPTION/OPTIONS: Snatch this one up quick! These Elantra's are very popular. They are great on gas and very affordable to own! nnOption Group 01Cargo Package (C1) (\$195 value)Cargo NetReversible Cargo TrayTrunk HooksnnConvenience Cruise control with steering wheel mounted controls. Set it and forget it. Road trips used to be stressful, until cruise control set the pace. Simply set the desired speed using the steering wheel mounted controls and it will maintain that speed without driver intervention. This can help minimize driver fatigue and improve overall fuel economy. Resting your right foot is right at your fingertips thanks to cruise control with steering wheel mounted controls.Safety and Security Brake assist - Stop right there. Something jumps out into the middle of the road and you need to stop now! With brake assist, you will. It uses the speed of the brake pedal's travel to sense panic braking, then applies all available power to boost your stopping power. Brake assist can stop the accident before it is one. Forward collision mitigation - Forward thinking. You look away for just a second and suddenly the vehicle in front of you has stopped. That's when the forward collision mitigation system comes to life. When it senses an impending impact, it will activate a combination of features to help prevent or reduce the severity of an accident. Forward collision mitigation is always looking ahead. Driver Attention Alert - Snap To it. Sometimes the drive is boring, sometimes you're tired, sometimes your mind starts to drift. Driver attention alert uses sensors to monitor the vehicle and/or driver's behavior and will flash or sound a warning to help keep you focused on the road ahead. Driver Attention Alert helps ensure your car doesn't drift when you do.Technology and Telematics Smart device mirroring - Smartphone, meet smart car. You can control your device through your vehicle's infotainment system. Smart device mirroring brings together safety and convenience by making it easier to find what you're looking for while keeping your eyes on the road.Convenience Cruise control with steering wheel mounted controls.
