DESCRIPTION/OPTIONS: In a class by itself! Introducing the 2016 Volkswagen CC! It just arrived on our lot this past week! The engine breathes better thanks to a turbocharger, improving both performance and economy. This 4 door, 5 passenger sedan has just over 90,000 miles. Volkswagen infused the interior with top shelf amenities, such as: a power seat, an outside temperature display, and much more. Smooth gearshifts are achieved thanks to the efficient 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain. We know that you have high expectations, and we enjoy the challenge of meeting and exceeding them! Stop by our dealership or give us a call for more information.
