You look away for just a second and suddenly the vehicle in front of you has stopped. That's when the forward collision mitigation system comes to life. When it senses an impending impact, it will activate a combination of features to help prevent or reduce the severity of an accident. Forward collision mitigation is always looking ahead. Pedestrian impact prevention - An extra step toward safety. Pedestrians don't always stop, look, and listen, but with Pedestrian Impact Prevention, your vehicle is equipped to better see them and avoid them. This system constantly monitors the road ahead to identify and track pedestrians. It projects that image to an interior display screen, AND should an impact become likely, Pedestrian impact prevention takes steps to avoid a collision.Technology and Telematics Smart device mirroring - Smartphone, meet smart car. You can control your device through your vehicle's infotainment system. Smart device mirroring brings together safety and convenience by making it easier to find what you're looking for while keeping your eyes on the road. AppLink/Apple CarPlay and Android Auto smart device wireless mirroring AppLink/Apple CarPlay/Android Auto smart device wireless mirroringnnTo be sure you don't miss out, give us a call at 207-922-2277 and schedule a test drive. We have 2 locations - 44 Griffin Rd. in Bangor, and 39 Downeast Highway in Ellsworth. Call to verify vehicle's location.nnLinnehan's Right Way Auto - home of the 6 month 6 000 mile warranty and no Doc Fees ever! Right Way Auto has 100's of reviews on Facebook and Google with a 4.9 Star Average! DISCLAIMER: Vehicle may or may not have all of the computer generated equipment/options listed. The system lists all options commonly available within that package but this does not mean this vehicle necessarily is equipped with all of them. Please verify desired options prior to purchase.
