DESCRIPTION/OPTIONS: Check out this 2021! Ensuring composure no matter the driving circumstances! With fewer than 50,000 miles on the odometer, this pre-owned model still has plenty of miles remaining as reliable transportation. Top features include power windows, a tachometer, an outside temperature display, and more. Smooth gearshifts are achieved thanks to the refined 6 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain. Four wheel drive allows you to go places you've only imagined. We know that you have high expectations, and we enjoy the challenge of meeting and exceeding them! Please don't hesitate to give us a call.
