DESCRIPTION/OPTIONS: You won't want to miss this excellent value! It delivers style and power in a single package! Turbocharger technology provides forced air induction, enhancing performance while preserving fuel economy. This 4 door, 5 passenger sedan has not yet reached the 50,000 mile mark! Volkswagen infused the interior with top shelf amenities, such as: an automatic dimming rear-view mirror, tilt and telescoping steering wheel, and cruise control. Performance and efficiency are both prioritized thanks to the 2 liter 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain. Our sales reps are knowledgeable and professional. They'll work with you to find the right vehicle at a price you can afford. Stop in and take a test drive!
