DESCRIPTION/OPTIONS: This Kia won't be on the lot long! Offering an alluring bundle of luxury while maintaining efficiency, safety and style! A turbocharger further enhances performance, while also preserving fuel economy. This 4 door, 5 passenger sedan has just over 90,000 miles. Kia prioritized practicality, efficiency, and style by including: variably intermittent wipers, automatic temperature control, and 1-touch window functionality. Under the hood you'll find a 4 cylinder engine with more than 170 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. Our experienced sales staff is eager to share its knowledge and enthusiasm with you. We'd be happy to answer any questions that you may have. We are here to help you.
