DESCRIPTION/OPTIONS: Looking for a used car at an affordable price? This vehicle won't be on the lot long! It just arrived on our lot this past week! Turbocharger technology provides forced air induction, enhancing performance while preserving fuel economy. With fewer than 25,000 miles on the odometer, this truck is a leading example of refined versatility in the fullsize pickup segment! Top features include a split folding rear seat, variably intermittent wipers, air conditioning, and much more. Under the hood you'll find a 6 cylinder engine with more than 300 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. Four wheel drive allows you to go places you've only imagined. Our team is professional, and we offer a no-pressure environment. We'd be happy to answer any questions that you may have. Stop by our dealership or give us a call for more information.
