DESCRIPTION/OPTIONS: Thank you for choosing Linnehan's Right Way Auto, this BLACK 2022 Volkswagen Tiguan SE R-Line Black is a great choice! Stop by and take a closer look! nnn Check out the following:nnOne Owner! nNo Accidents! nnnnnCombination Roadside Kit (\$105 value)First Aid KitRoadside Assistance KitnnConvenience Unresponsive driver assistant - a reaction to inaction. Maybe you fell asleep. Maybe you lost consciousness. No matter how it happens, Unresponsive driver assistant works to help lessen the danger when it does. It detects prolonged driver unresponsiveness, automatically bringing the vehicle to a stop and turning on the hazard lights. If equipped, emergency services will also be contacted. Unresponsive driver assistant is safety that never sleeps.Safety and Security Hands-on cruise control. Set it and forget it. Road trips used to be stressful. Cruise control only managed speed, but not distance or safety. Now, with hands-on cruise control, simply set your desired speed and let sensor technology maintain a safe distance between you and surrounding vehicles. It slows you down; speeds you up and even keeps you in your own lane. Meet your ultimate co-pilot with hands-on cruise control. Forward collision mitigation - Forward thinking. You look away for just a second and suddenly the vehicle in front of you has stopped. That's when the forward collision mitigation system comes to life. When it senses an impending impact, it will activate a combination of features to help prevent or reduce the severity of an accident. Forward collision mitigation is always looking ahead. Pedestrian impact prevention - An extra step toward safety. Pedestrians don't always stop, look, and listen, but with Pedestrian Impact Prevention, your vehicle is equipped to better see them and avoid them. This system constantly monitors the road ahead to identify and track pedestrians. It projects that image to an interior display screen, AND should an impact become likely, Pedestrian impact prevention takes steps to avoid a collision.Technology and Telematics Wireless App-Connect (w/Apple CarPlay, Android Auto & MirrorLink) smart device wireless mirroringnn nnTo be sure you don't miss out, give us a call at 207-922-2277 and schedule a test drive. We have 2 locations - 44 Griffin Rd. in Bangor, and 39 Downeast Highway in Ellsworth. Call to verify vehicle's location.nnLinnehan's Right Way Auto - home of the 6 month 6 000 mile warranty and no Doc Fees ever! Right Way Auto has 100's of reviews on Facebook and Google with a 4.9 Star Average! DISCLAIMER: Vehicle may or may not have all of the computer generated equipment/options listed. The system lists all options commonly available within that package but this does not mean this vehicle necessarily is equipped with all of them. Please verify desired options prior to purchase.
