DESCRIPTION/OPTIONS: This vehicle won't be on the lot long! It just arrived on our lot this past week! A turbocharger further enhances performance, while also preserving fuel economy. With less than 30,000 miles on the odometer, this 4 door sport utility vehicle prioritizes comfort, safety and convenience. Top features include remote keyless entry, an outside temperature display, power door mirrors and heated door mirrors, and cruise control. Smooth gearshifts are achieved thanks to the efficient 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain. Our aim is to provide our customers with the best prices and service at all times. Stop by our dealership or give us a call for more information.
