DESCRIPTION/OPTIONS: Check out this 2022! Settle in and experience the rush! The engine breathes better thanks to a turbocharger, improving both performance and economy. With fewer than 35,000 miles on the odometer, this 4 door sport utility vehicle prioritizes comfort, safety and convenience. Volkswagen prioritized practicality, efficiency, and style by including: an overhead console, rear wipers, and cruise control. Under the hood you'll find a 4 cylinder engine with more than 170 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. Our experienced sales staff is eager to share its knowledge and enthusiasm with you. We'd be happy to answer any questions that you may have. Call now to schedule a test drive.
