Trying to drive with bulky winter gloves on isn't always easy. Keep your hands warm in cold temperatures so you can ditch the mitts and get a firm grip with this heated steering wheel. This upholstery offers an attractive combination of appearance and textures. Safety and Security Blind spot warning - Protect your blind side. You checked the mirror, looked over your shoulder and still nearly collided with the car next to you. Blind spot warning alerts you to the presence of a vehicle to your sides or rear so you know if you're about to make an unsafe lane change. Replace fear and uncertainty with confidence and safety with blind spot warning. Technology and Telematics Smart device mirroring - Smartphone, meet smart car. You can control your device through your vehicle's infotainment system. Smart device mirroring brings together safety and convenience by making it easier to find what you're looking for while keeping your eyes on the road. Wireless connectivity - Strike the cord. Wireless technology makes it easy to place calls without having to fumble with your phone. It integrates your device with the system inside your vehicle for hands-free access. Keep connected and keep your hands on the wheel with wireless connectivity.nn nnTo be sure you don't miss out, give us a call at 207-922-2277 and schedule a test drive.
