Reviews: * If you like going off-road to hike, snowshoe, fish, kayak, ski, snowboard, bike, canoe, camp, spelunk, or rock climb, you might already have a Subaru Outback parked in your driveway. The good news is that the Outback SUV is just as good in town as it is on the trail. Source: KBB.com * Spacious and comfortable interior efficient engines excellent visibility above-average off-road ability top safety scores. Source: Edmunds
