DESCRIPTION/OPTIONS: Looking for a used car at an affordable price? Check out this great value! You'll appreciate its safety and convenience features! This 4 door, 5 passenger sedan still has less than 80,000 miles! Toyota prioritized practicality, efficiency, and style by including: lane departure warning, remote keyless entry, and cruise control. Performance and efficiency are both prioritized thanks to the 2.5 liter 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain. We have a skilled and knowledgeable sales staff with many years of experience satisfying our customers needs. We'd be happy to answer any questions that you may have. Please don't hesitate to give us a call.
