DESCRIPTION/OPTIONS: Check out this great value! It just arrived on our lot, and surely won't be here long! A turbocharger further enhances performance, while also preserving fuel economy. Ford prioritized practicality, efficiency, and style by including: a rear step bumper, fully automatic headlights, and much more. Under the hood you'll find a 6 cylinder engine with more than 300 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. Four wheel drive allows you to go places you've only imagined. Our experienced sales staff is eager to share its knowledge and enthusiasm with you. They'll work with you to find the right vehicle at a price you can afford. We are here to help you.
