DESCRIPTION/OPTIONS: Check out this 2021! Settle in and experience the rush! Chevrolet prioritized practicality, efficiency, and style by including: a built-in garage door transmitter, lane departure warning, and the power moon roof opens up the cabin to the natural environment. Smooth gearshifts are achieved thanks to the refined 6 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain. We know that you have high expectations, and we enjoy the challenge of meeting and exceeding them! Stop by our dealership or give us a call for more information.
