Set it and forget it. Road trips used to be stressful. Cruise control only managed speed, but not distance or safety. Now, with Distance pacing cruise control with traffic stop-go, simply set your desired speed and let sensor technology maintain a safe distance between you and the vehicle ahead. It's stop/go feature automatically brings the vehicle to a stop if traffic stops and resumes distance pacing cruise when traffic starts to move again. Distance pacing cruise control with traffic stop-go; your ultimate co-pilot. Cruise control with steering wheel mounted controls. Set it and forget it. Road trips used to be stressful, until cruise control set the pace. Simply set the desired speed using the steering wheel mounted controls and it will maintain that speed without driver intervention. This can help minimize driver fatigue and improve overall fuel economy. Resting your right foot is right at your fingertips thanks to cruise control with steering wheel mounted controls.Safety and Security Pedestrian impact prevention - An extra step toward safety. Pedestrians don't always stop, look, and listen, but with Pedestrian Impact Prevention, your vehicle is equipped to better see them and avoid them. This system constantly monitors the road ahead to identify and track pedestrians. It projects that image to an interior display screen, AND should an impact become likely, Pedestrian impact prevention takes steps to avoid a collision. Brake assist - Stop right there. Something jumps out into the middle of the road and you need to stop now! With brake assist, you will. It uses the speed of the brake pedal's travel to sense panic braking, then applies all available power to boost your stopping power. Brake assist can stop the accident before it is one.Technology and Telematics Smart device mirroring - Smartphone, meet smart car. You can control your device through your vehicle's infotainment system. Smart device mirroring brings together safety and convenience by making it easier to find what you're looking for while keeping your eyes on the road.nn nnTo be sure you don't miss out, give us a call at 207-922-2277 and schedule a test drive. nnLinnehan's Right Way Auto - home of the 6 month, 6,000-mile warranty and no Doc Fees ever! Right Way Auto has 100's of reviews on Facebook and Google with a 4.9 Star Average! **DISCLAIMER:** Vehicle may or may not have all of the computer-generated equipment/options listed. The system lists all options commonly available within that package, but this does not mean this vehicle necessarily is equipped with all of them. Please verify desired options prior to purchase.
