Set it and forget it. Road trips used to be stressful. Cruise control only managed speed, but not distance or safety. Now, with hands-on cruise control, simply set your desired speed and let sensor technology maintain a safe distance between you and surrounding vehicles. It slows you down; speeds you up and even keeps you in your own lane. Meet your ultimate co-pilot with hands-on cruise control. Forward collision mitigation - Forward thinking. You look away for just a second and suddenly the vehicle in front of you has stopped. That's when the forward collision mitigation system comes to life. When it senses an impending impact, it will activate a combination of features to help prevent or reduce the severity of an accident. Forward collision mitigation is always looking ahead. Technology and Telematics Smart device mirroring - Smartphone, meet smart car. You can control your device through your vehicle's infotainment system. Smart device mirroring brings together safety and convenience by making it easier to find what you're looking for while keeping your eyes on the road. AppLink/Apple CarPlay and Android Auto smart device wireless mirroring AppLink/Apple CarPlay/Android Auto smart device wireless mirroring
To be sure you don't miss out, give us a call at 207-922-2277 and schedule a test drive.
Linnehan's Right Way Auto - home of the 6 month, 6,000-mile warranty and no Doc Fees ever! Right Way Auto has 100's of reviews on Facebook and Google with a 4.9 Star Average! **DISCLAIMER:** Vehicle may or may not have all of the computer-generated equipment/options listed. The system lists all options commonly available within that package, but this does not mean this vehicle necessarily is equipped with all of them. Please verify desired options prior to purchase.
