Order Code 302A Exterior Upgrade Package Pewter Cloth Dual Bucket Seats 6-Speed Automatic Transmission with Overdrive and SelectShift AM/FM single-CD Stereo Cruise Control with Message Center 16 Steel Wheels with Full Silver Cover Vinyl Sun Visors 3.7L Ti-VCT V6 Engine Cloth Front Bucket Seats 9,000 lbs GVWR 235/65R16C AS BSW Tires 3.73 Axle Ratio
Comfort Fixed third-row seats Convenience Cruise control with steering wheel mounted controls. Set it and forget it. Road trips used to be stressful, until cruise control set the pace. Simply set the desired speed using the steering wheel mounted controls and it will maintain that speed without driver intervention. This can help minimize driver fatigue and improve overall fuel economy. Resting your right foot is right at your fingertips thanks to cruise control with steering wheel mounted controls. Powertrain and Mechanical Variable valve timing - Change your output. There are a lot of variables in your drive, so why should your engine always operate the same? With variable valve timing, the engine is efficient at both low and high RPM's, so you get better fuel efficiency, cleaner emissions and improved performance. Variable valve timing provides a better drive, every time. Safety and Security Rear camera - Watching your back! The rear camera helps you see obstacles and hazards you otherwise couldn't by showing enhanced images of what is behind you. The rear camera is an extra set of eyes that's both convenient and safe. Brake assist - Stop right there. Something jumps out into the middle of the road and you need to stop now! With brake assist, you will. It uses the speed of the brake pedal's travel to sense panic braking, then applies all available power to boost your stopping power. Brake assist can stop the accident before it is one.
