DESCRIPTION/OPTIONS: This is an absolutely gorgeous F-150 Lariat Crew Cab! A beautiful color, panoramic roof, FX4, spray-in bedliner, tow package, and it has the 5.0 V8 engine! This truck has one local owner who bought it with the intention of towing a camper, but then sold the camper and never towed with it. He had it fully undercoated underneath and added a tonneau cover. Save thousands on this low-mileage, mint condition truck! Check out the following: One Owner! No Accidents! ENGINE: 5.0L V8, RAPID RED METALLIC TINTED CLEARCOAT FX4 Off-Road Package (\$1,095 value) Skid Plates Tray Style Floor Liner 4x4 FX4 Off-Road Bodyside Decal Hill Descent Control Off-Road Tuned Front Shock Absorbers Monotube Rear Shocks Rock Crawl Mode Equipment Group 501A Standard Electronic 10-Speed Automatic Transmission 20 Chrome-Like PVD Wheels 5.0L V8 Engine Leather-Trimmed Bucket Seats 7,100 lbs Payload Package GVWR B&O Sound System by Bang and Olufsen 275/60R20 BSW A/T Tires Tow/Haul Package (\$785 value) Integrated Trailer Brake Controller Convenience GPS linked cruise control - Set it and forget it. Road trips used to be stressful, until GPS linked cruise control set the pace. Simply set the desired speed and the system uses GPS navigation data to maintain that speed without driver intervention - including slowing down for curves and anticipating hills. This can help minimize driver fatigue and improve overall fuel economy. Meet your ultimate co-pilot; GPS linked cruise control. Safety and Security Forward collision mitigation - Forward thinking. You look away for just a second and suddenly the vehicle in front of you has stopped. That's when the forward collision mitigation system comes to life. When it senses an impending impact, it will activate a combination of features to help prevent or reduce the severity of an accident. Forward collision mitigation is always looking ahead. Pedestrian impact prevention - An extra step toward safety. Pedestrians don't always stop, look, and listen, but with Pedestrian Impact Prevention, your vehicle is equipped to better see them and avoid them. This system constantly monitors the road ahead to identify and track pedestrians. It projects that image to an interior display screen, AND should an impact become likely, Pedestrian impact prevention takes steps to avoid a collision. Hands-off cruise control with lane change - Set it and forget it. Road trips used to be stressful. Cruise control only managed speed, but not distance or safety. Now with hands-off cruise control with lane change simply set your desired speed and let sensor technology maintain a safe distance between you and surrounding vehicles with minimal steering input from you. It slows you down; speeds you up, and helps you make lane changes. Meet your ultimate co-pilot with hands-off cruise control with lane change. Technology and Telematics SYNC 4 AppLink/Apple CarPlay/Android Auto smart device wireless mirroring. To be sure you don't miss out, give us a call at 207-922-2277 and schedule a test drive. Linnehan's Right Way Auto - home of the 6 month, 6,000-mile warranty and no Doc Fees ever! Right Way Auto has 100's of reviews on Facebook and Google with a 4.9 Star Average! **DISCLAIMER:** Vehicle may or may not have all of the computer-generated equipment/options listed. The system lists all options commonly available within that package, but this does not mean this vehicle necessarily is equipped with all of them. Please verify desired options prior to purchase.
