**DESCRIPTION/OPTIONS:** In a class by itself! Check out this 2025! It just arrived on our lot this past week! The engine breathes better thanks to a turbocharger, improving both performance and economy. With less than 30,000 miles on the odometer, this 4 door sport utility vehicle prioritizes comfort, safety and convenience. Ford prioritized fit and finish as evidenced by: a trip computer, reverse sensing system, and power front seats. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. Four wheel drive allows you to go places you've only imagined. Our knowledgeable sales staff is available to answer any questions that you might have. They'll work with you to find the right vehicle at a price you can afford. We are here to help you.
