DESCRIPTION/OPTIONS: This vehicle wont be on the lot long! This model challenges small car competitors, regardless of price and class! Ford prioritized practicality, efficiency, and style by including: adjustable headrests in all seating positions, speed sensitive wipers, and much more. Ford made sure to keep road-handling and sportiness at the top of its priority list. Under the hood youll find an 8 cylinder engine with more than 400 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. Our aim is to provide our customers with the best prices and service at all times. Stop by our dealership or give us a call for more information.
