Comfort Ventilated front seats -That's cool. Ventilated front seats provides targeted cool air so you and your passenger can get comfortable quicker in hot weather. Getting comfortable is no sweat when you have ventilated front seats.
Convenience Power open and close liftgate - On-demand access. When your arms are full of cargo, the last thing you want to do is set it all down just to open the liftgate, then pick it all back up to load it in. By remotely opening and closing, power liftgate lets you skip straight to the loading. It also eliminates the awkward stretch to reach up for the liftgate to close it. Load and go with power open and close liftgate. Keyfob engine start control - Get an early start. Remotely start your vehicle's engine from the key fob, ensuring your ride is ready to go when you get in. Now you can stay comfortable inside while your vehicle gets comfortable outside, thanks to Keyfob engine start control.
Safety and Security Blind spot warning - Protect your blind side. You checked the mirror, looked over your shoulder and still nearly collided with the car next to you. Blind spot warning alerts you to the presence of a vehicle to your sides or rear so you know if you're about to make an unsafe lane change. Replace fear and uncertainty with confidence and safety with blind spot warning.
Technology and Telematics Voice activated integrated navigation system - A to B made easy! Whether it's an errand or a road trip, the voice activated integrated navigation system will guide you to your destination. No more bulky, impossible-to-fold maps, and no more stopping to ask for directions. Just tell it where you want to go, and the voice activated integrated navigation system shows you the right way.
To be sure you don't miss out, give us a call at 207-922-2277 and schedule a test drive.
Linnehan's Right Way Auto - home of the 6 month, 6,000-mile warranty and no Doc Fees ever! Right Way Auto has 100's of reviews on Facebook and Google with a 4.9 Star Average!
DISCLAIMER: Vehicle may or may not have all of the computer-generated equipment/options listed. The system lists all options commonly available within that package, but this does not mean this vehicle necessarily is equipped with all of them. Please verify desired options prior to purchase.
