DESCRIPTION/OPTIONS: Thank you for choosing Linnehan's Right Way Auto! Get ready to turn heads in this stunning Black Clearcoat 2019 Jeep Wrangler Unlimited Sahara. Equipped with a convenient power convertible top, you can enjoy open-air freedom at the touch of a button. Built for adventure and packed with iconic Jeep style, this Wrangler is ready for wherever the road-or trail-takes you. Stop by today, take a closer look, and experience everything this incredible Wrangler has to offer!nnn Check out the following:nnOne Owner! nNo Accidents! nnENGINE: 3.6L V6 24V VVT UPG I W/ESS, TRANSMISSION: 8-SPEED AUTOMATIC (850RE), QUICK ORDER PACKAGE 24G, WHEELS: 18 X 7.5 POLISHED W/GRAY SPOKES, TIRES: 255/70R18 ALL TERRAIN, BLACK CLEARCOAT, BLACK, CLOTH LOW-BACK BUCKET SEATS, COLD WEATHER GROUP, SKY 1-TOUCH POWER TOP, REMOTE START SYSTEMnnCold Weather Group (\$995 value)Heated Front SeatsHeated Steering Wheel255/70R18 All Terrain TiresRemote Start SystemQuick Order Package 23GQuick Order Package 24GnnComfort• The steering wheel rim is heated. • Heated seats offer cool weather comfort by warming the seat quickly, before the air in the passenger compartment is fully warmed by the heater. • The seating surfaces are covered in cloth.Convenience• The keyfob has the ability to remotely start the vehicle. • Cruise control maintains a preset vehicle speed; automatically increasing or decreasing throttle to maintain that speed. • The driver only needs to bring the keyfob or keycard within the proximity of the ignition, the vehicle senses the key and the driver is then able to start the engine by twisting the ignition switch, pressing a button, or touching a select portion of the vehicle's interior.In-car Entertainment• The primary display in the vehicle offers touchscreen control. • This feature allows music to be transferred from a mobile device to the vehicle without the need to physically connect the two devices.Powertrain and Mechanical• Two camshafts (DOHC), one operating intake valves and the other exhaust valves, are located above each bank of cylinders. The design is very adaptable to multiple intake and exhaust valves. • An automatic transmission eliminates manual clutching and shifting. It uses a fluid coupling system to transfer torque to the drive shaft, automatically advancing through the range of gears. • Power is delivered to all four wheels.Safety and Security• The vehicle is equipped with a camera that displays an image of the area behind the vehicle on an interior display. • Brake assist senses panic braking from the speed of the brake pedal's travel and applies all available power brake boost.Technology and Telematics• Without the need for a manufacturer specific app to be installed on the smart device, the vehicle infotainment system can access and control functions of a smart device physically plugged-into the vehicle. • Otherwise known as Bluetooth, this technology allows electronic devices to integrate with the vehicle systems without the need for a physical connection between them. • A Universal Serial Bus (USB) allows connection, data transfer, and/or power supply between the vehicle and electronic devices.nn nnTo be sure you don't miss out, give us a call at 207-922-2277 and schedule a test drive. nnLinnehan's Right Way Auto - home of the 6 month, 6,000-mile warranty and no Doc Fees ever! Right Way Auto has 100's of reviews on Facebook and Google with a 4.9 Star Average! **DISCLAIMER:** Vehicle may or may not have all of the computer-generated equipment/options listed. The system lists all options commonly available within that package, but this does not mean this vehicle necessarily is equipped with all of them. Please verify desired options prior to purchase.
