DESCRIPTION/OPTIONS: This vehicle won't be on the lot long! It just arrived on our lot this past week! A turbocharger further enhances performance, while also preserving fuel economy. This 4 door, 5 passenger sedan still has less than 80,000 miles! Chevrolet paid particular attention to efficiency and practicality with the following features: a tachometer, an overhead console, and cruise control. Smooth gearshifts are achieved thanks to the efficient 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain. We pride ourselves in the quality that we offer on all of our vehicles. Please don't hesitate to give us a call.
