DESCRIPTION/OPTIONS: How about this great vehicle! Without a doubt, this is a technologically advanced vehicle for the sport-inclined driving enthusiast! Turbocharger technology provides forced air induction, enhancing performance while preserving fuel economy. Subaru infused the interior with top shelf amenities, such as: a built-in garage door transmitter, a power seat, and seat memory. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. We'd also be happy to help you arrange financing for your vehicle. Call now to schedule a test drive.
