DESCRIPTION/OPTIONS: Check out this 2021! This spectacularly designed vehicle challenges higher-priced competitors in its class! A turbocharger is also included as an economical means of increasing performance. Volkswagen prioritized practicality, efficiency, and style by including: telescoping steering wheel, heated door mirrors, and much more. Smooth gearshifts are achieved thanks to the efficient 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain. We know that you have high expectations, and we enjoy the challenge of meeting and exceeding them! Please don't hesitate to give us a call.
