DESCRIPTION/OPTIONS: Dont miss this great Subaru! It just arrived on our lot, and surely wont be here long! A turbocharger is also included as an economical means of increasing performance. This 4 door, 5 passenger sedan still has fewer than 60,000 miles! Top features include air conditioning, variably intermittent wipers, a leather steering wheel, and cruise control. Subaru made sure to keep road-handling and sportiness at the top of its priority list. Smooth gearshifts are achieved thanks to the 2.4 liter 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain. We know that you have high expectations, and we enjoy the challenge of meeting and exceeding them! Please dont hesitate to give us a call.
