We price our vehicles more aggressively than anyone else in the area. For that reason, we're proud to display it on every vehicle's window. We believe there is more to buying a vehicle than worrying about the price. For that reason, Key Auto has simplified that process for our customers. When we price a vehicle, we take the following into consideration: 1) market conditions, 2) what the area dealers are selling them for, 3) Kelly Blue Book* retail. This way, when you leave a Key Auto Dealership, you're confident you've received the absolute best deal.
