DESCRIPTION/OPTIONS: This Mazda won't be on the lot long! It just arrived on our lot, and surely won't be here long! With fewer than 50,000 miles on the odometer, this pre-owned model still has plenty of miles remaining as reliable transportation. Mazda paid particular attention to efficiency and practicality with the following features: a tachometer, tilt and telescoping steering wheel, and 1-touch window functionality. Under the hood you'll find a 4 cylinder engine with more than 170 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. Both high fuel economy and flexible performance are assured by the 6 speed automatic transmission. We have a skilled and knowledgeable sales staff with many years of experience satisfying our customers needs. We'd be happy to answer any questions that you may have. Stop by our dealership or give us a call for more information.
