DESCRIPTION/OPTIONS: FRESH ARRIVAL CALL FOR RELEASE DATE!nnThis 2016 Volkswagen Jetta Sedan 1.4T S offered in Pure White will make a great addition to your family or business! Here are just a few features this vehicle has to offer:nConvenience Cruise control with steering wheel mounted controls. Set it and forget it. Road trips used to be stressful, until cruise control set the pace. Simply set the desired speed using the steering wheel mounted controls and it will maintain that speed without driver intervention. This can help minimize driver fatigue and improve overall fuel economy. Resting your right foot is right at your fingertips thanks to cruise control with steering wheel mounted controls.In-car Entertainment Touchscreen - flat out convenient. Say goodbye to the twists and turns of your daily drive...we're talking about buttons and knobs of course! Touchscreen allows you to control certain features with your fingertips, making it easy to use while also providing information at a glance. With touchscreen, your fingerprints will be all over your drive.Powertrain and Mechanical Variable valve timing - Change your output. There are a lot of variables in your drive, so why should your engine always operate the same? With variable valve timing, the engine is efficient at both low and high RPM's, so you get better fuel efficiency, cleaner emissions and improved performance. Variable valve timing provides a better drive, every time. Inline-4 engines produce adequate horsepower while typically offering better fuel efficiency and more economical maintenance than larger engines.Safety and Security Brake assist - Stop right there. Something jumps out into the middle of the road and you need to stop now! With brake assist, you will. It uses the speed of the brake pedal's travel to sense panic braking, then applies all available power to boost your stopping power. Brake assist can stop the accident before it is one. This vehicle comes with a 30-day, 1250 mile 100% warranty that covers not only the complete list of state of Maine inspection standards but also engine & drive train as well. We also offer extended warranties for an additional fee. nnPlease call 207-333-3558 and speak with Eric for further details or email us at sales@lakecityexports.com. nnAlso ask us about our AMAZING NEW GAP program! Buy Gap Coverage through us and if your vehicle becomes a total loss, we will give you \$1000 towards the purchase of a new vehicle here at Lake City Exports!

DISCLAIMER: Vehicle may or may not have equipment/options listed due to the fact that it is computer generated when VIN # is entered into the system and is listed with ALL options available within that package but this does not actually mean this vehicle may be equipped with it.
