DESCRIPTION/OPTIONS: Check out this gently-used 2016 Nissan Rogue we recently got in. Treat yourself to an SUV that surrounds you with all the comfort and conveniences of a luxury sedan. This 2016 Nissan Rogue has great acceleration and wonderful styling without sacrificing exceptional fuel economy. Take home this 2016 Nissan Rogue SL and enjoy the safety and added performance of AWD. It's not a misprint. And the odometer isn't broken. This is a very low mileage Nissan Rogue. A rare find these days. More information about the 2016 Nissan Rogue: The Nissan Rogue is a small SUV/crossover, offering a more car-like driving experience than the more hard-core Nissan Xterra. This puts the Rogue in direct competition with vehicles such as the Toyota RAV4 and the Honda CR-V, two vehicles with several generations and years of success under their belts. In order to remain competitive, Nissan has equipped the Rogue with a bevy of features and some very reasonable base prices. The Rogue starts at just over \$23,000, while even the top trim model with all-wheel drive can be had for under \$30,000. With available three-row seating, the Rogue is possibly one of the most versatile vehicles available at such a low price. This model sets itself apart with high-tech features, available all-wheel drive, Affordable, and optional third row seating
