In addition to the amazing traction control, you may even qualify for an insurance reduction with this AWD vehicle. It's not often you find just the vehicle you are looking for AND with low mileage. This is your chance to take home a gently used and barely driven Nissan JUKE. Just what you've been looking for. With quality in mind, this vehicle is the perfect addition to take home. More information about the 2011 Nissan JUKE: The growing crossover segment is creating a competition among auto manufacturers of who could best balance the conflicting components of small yet roomy, powerful yet fuel efficient and sporty yet rugged. Nissan, long famous for both athletic and tough vehicles, seems to have hit all the buttons with the new Juke. The car's small-car origins mean it is ideal as an around-town cruiser and easy to park, yet its all-wheel drive capabilities will allow you to leave the city behind. Rivals like the Suzuki SX4 can't match the Juke for performance, and its distinctive looks mean that it will surely turn heads. This model sets itself apart with distinctive styling, available all-wheel drive, Small stature perfect for urban driving, and zippy performance from turbocharged engine
