DESCRIPTION/OPTIONS: K & R Auto Sales - Auburn has a wide selection of exceptional pre-owned vehicles to choose from, including this 2017 Nissan Maxima. A Nissan with as few miles as this one is a rare find. This Maxima S was gently driven and it shows. You've found the one you've been looking for. Your dream car. The quintessential Nissan -- This Nissan Maxima S speaks volumes about its owner, about uncompromising individuality, a passion for driving and standards far above the ordinary. More information about the 2017 Nissan Maxima: The Nissan Maxima starts at a little below \$33,000, so while it would never be accused of being an economy car, it is also priced below most luxury vehicles in the marketplace. The Maxima offers more space than an equivalently priced Audi, BMW or Mercedes, but it also offers more pace than a high-end Camry or Accord. The Maxima tries to let buyers have their cake and eat it too, reproducing the fun driving experience offered by European sports sedans, without reproducing their higher prices and smaller cabins. This model sets itself apart with sporty driving experience, efficient CVT transmission, Striking styling, powerful engine, and upscale luxury features
