DESCRIPTION/OPTIONS: Introducing the 2016 Volkswagen Beetle! It delivers plenty of power and excellent gas mileage! Turbocharger technology provides forced air induction, enhancing performance while preserving fuel economy. This 2 door, 4 passenger convertible still has less than 80,000 miles! Top features include a power convertible top, front and rear reading lights, power windows, and air conditioning. Volkswagen made sure to keep road-handling and sportiness at the top of it's priority list. Under the hood you'll find a 4 cylinder engine with more than 170 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. Our team is professional, and we offer a no-pressure environment. They'll work with you to find the right vehicle at a price you can afford. Call now to schedule a test drive.
