**DESCRIPTION/OPTIONS:** You won't want to miss this excellent value! It offers the latest in technological innovation and style. With fewer than 50,000 miles on the odometer, this pre-owned model still has plenty of miles remaining as reliable transportation. Kia paid particular attention to efficiency and practicality with the following features: a trip computer, power windows, and 1-touch window functionality. Smooth gearshifts are achieved thanks to the 2 liter 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain. Our team is professional, and we offer a no-pressure environment. They'll work with you to find the right vehicle at a price you can afford. Call now to schedule a test drive.
