DESCRIPTION/OPTIONS: Check out this 2020! Representing the optimal blend of tarmac tearing performance and silky smooth highway refinement. This 4 door, 5 passenger sedan has not yet reached the 50,000 mile mark! Toyota paid particular attention to efficiency and practicality with the following features: front and rear reading lights, lane departure warning, and 1-touch window functionality. Performance and efficiency are both prioritized thanks to the 2.5 liter 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain. Our knowledgeable sales staff is available to answer any questions that you might have. They'll work with you to find the right vehicle at a price you can afford. We are here to help you.
